From

DEWAN BAHADUR RAJA SABHA BHUSHANA
K P PUTTANNA CHETTY, Esq.,
Hon'y President, Municipal Council,
Bangalore City

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments,
Bangalore.

SIR,

With reference to your letter No. 1810/M. 328-13-2 dated the 18th August 1914, pointing out that the grant from the Municipal Funds of house-building advances to Municipal servants is not legal, I have the honor to forward herewith, for the information and orders of Government, copy of resolution of the Municipal Council dated the 22nd September 1914 stating that a recommendation may be made to Government to make the necessary amendment in the Municipal Regulation.

2. It is rather invidious that the Municipal servants should not be given facilities for building houses in the City, whereas Government servants are allowed such facilities. The former as being the servants of the Municipality appear to have better claims in this respect than even the Government servants.

3. Government have generously extended the application of the Civil Service Regulation in entirety to the Municipal servants and it does not seem desirable that they should be excepted from

the

the the benefits of the provisions of the Civil Account Code in the matter of the grant of house-building advances, and that in a place where house-rent is very high. I therefore request that you will be so good as to move Government in view to cause necessary amendment to be made in the Municipal Regulation so as to remove the defect under which the Municipal servants have been labouring for a long time.

I have the honor to be

Sir,

Your most obedient servant,

W. H. Cunningham
Honorary President.
